“ENGLISH VINGLISH” Wins 2013 Audience Award

2013 Audience Award: Best Feature

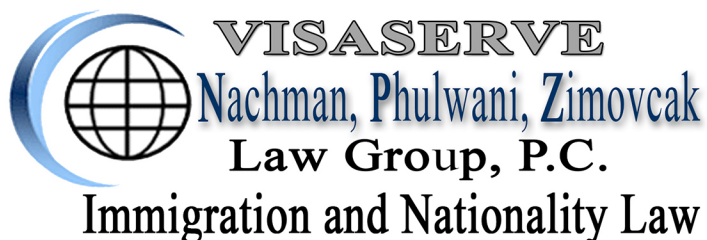

Nachman Phulwani Zimovcak (NPZ) Law Group, P.C. is proud to announce it sponsored "English Vinglish", the Bollywood film which earned the coveted Audience Award for Best Film Feature during the Teaneck International Film Festival 2013! Viewers of the Bollywood comedy-drama were able to empathize, and perhaps identify with, the protagonist Shashi [Film Character], as she struggled to learn English and to navigate an unfamiliar city (NYC) on her own. We are pleased that viewers thought so highly of a film we regard as the penultimate portrayal of the challenges faced by immigrants when they first arrive in the United States.

Take some time to watch "English Vinglish". While it chronicles a personal struggle to adapt to life in the United States, it truly celebrates the triumphs of finding the means to adapt. It is a humorous and insightful movie which very likely mirrors your own personal experiences in the United States.
